On 12th January 2010 the Earthquake in Haiti claimed 230 000 of lives. Among them our ITF President, GM Trần Triều Quân.

GM Trần Triều Quân was a great visionary and follower of the democracy. Although, it is a year since he has gone, his ideas are still alive. It was a great loss for all of us.

We recall GM Trần Triều Quân and to his achievements many times. Thanks to his efforts and ideas our organization is getting stronger. Our thoughts are with the family of GM Trần Triều Quân. Forever with us.
