ITF Taekwon-Do Kid's Development Program

The ITF's new Taekwon-Do Kid's Development Program (TKD Program) was introduced to Instructors at the ITF Convention, Spain in September. This program is designed to develop physical and life skills as well as moral values of the children aged from 3-7. As GM Pablo Trajtenberg, ITF President wrote in a foreword..." *this Program as a resource to improve our society, to help understand one another beyond nationality, ethnic group, gender, religion or any other difference.*

To our way of thinking, the essence of this change must necessarily involve children, in the belief that harmony both in body and in mind must be achieved, for which it is necessary to train both simultaneously..." We have to start from children to build better, more peaceful world.

New Vice - President ITF Russia

On 2nd June 2011 the Board of Directors of All Russia Taekwon-Do Federation had the great honour to propose Mr. Alexander Tikhonov the position of Vice President. Mr. Alexander Tikhonov accepted this proposal. It is believed there that ITF in Russia with the contribution and help of Mr. Alexander Tikhonov will develop to higher level. Mr. Tikhonov was born on 2nd January 1947 in the village of Uyskoye, Kolkhozny District, Chelyabinsk Oblast. He is a retired Russian biathlete who represented the USSR. Mr. Tikhonov trained at Dynamo in Novosibirsk and is one of the most successful biathletes of all time, with nine World Champion titles and four Olympic gold medals. He lacks an individual Olympic gold medal in his cupboard, but took part in the gold medal relay winning teams in 1968, 1972, 1976, and 1980. Mr. Alexander Tikhonov was an honourable guest in all latest tournaments conducted by ITF Russia. He is an honourable 4th degree in ITF. And he has big influence in sport all over the world. He is also a member of board of Russia Ministry of Sport.

CROATIA RETURNS to ITF ITF Board of Directors accepted two clubs from Croatia as Temporary Club Member. This is the first step for having full Taekwon-Do Federation in this. Meet the details:

NOMINATION TO CARRY THE OLYMPIC TORCH

Mr. Nicholas Mellor, top businessman and a parent of one of the Taekwon-Do Kids has nominated Master Donato Nardizzi, the President of ITF England to carry the Olympic torch in the 2012 London Olympics.

The nomination is for his work with the Taekwon-Do Kids Program and as stated:

"Donato Nardizzi: Athlete, teacher, mentor and role model

As an athlete, he himself is an inspirational example having achieved one of the highest grades in the world as an 8th Degree Master, and gained the recognition of his peers as President of the International Taekwon-Do Federation England.

He has made a difference by making Taekwon-Do accessible within the local community. His teaching programme has helped promote the physical, cognitive, behavioural, social, and moral development of children as young as 3 or 4 years up to the ages of 6 or 7 years and is now been endorsed and being adopted worldwide.

His contribution has been as significant to the children as it has been to the parents, demonstrating how principles such as integrity, fairness, perseverance, self-control, indomitable spirit can be introduced to young children in an accessible way."

Keep your fingers crossed, the results will be known in the middle of November 2011
