## ANNUAL REPORT 2015

# Summary

The I.T.F. Switzerland Taekwon-Do Federation can look back to an interesting performance of his affiliated schools in 2015. We had an increase of new Members principally in the School of Fribourg and a total of 12 new black Belts in our organisation. We have the first Master in Switzerland.

Two important points to mentioned in this summary are the affiliation of a new School in Geneva and the 1<sup>st</sup> I.T.F. Open Tournament organized in Switzerland with the participation of 6 Countries (Italy, Germany, Austria, Uzbekistan, France and Switzerland).
