AETF delegation in Georgia

In the term 25th – 27th June 2010 the delegation of AETF consisted of Master Tadeusz Loboda, AETF President, Ms. Agnieszka Mazur, the PA to Master Tadeusz Loboda and Mr. Parviz Mamedov, President of ITF Kazakhstan went for a business trip to Tbilisi (Georgia). The main goal of this meeting was to activate the countries of the Kaukas region in the international Taekwon-Do life and to relay all the information regarding the Constitutions, By-Laws, Policies and other important documents in force. The whole trip was planned for two days only. Not to waste the time the first talks took place on the day of arrival, just after reaching the hotel in the centre of Tbilisi. The Vice-President of the Armenian Global Taekwondo Federation was also present

Mr. Robert Meliq-Sahakyan. On Saturday, after breakfast, the second part of the meeting regarding the Taekwon-Do procedures was held. Then the delegation went to the Sport Department for an appointment with Mr. Giorgi Galdava – Vice-Chairman of Department Sport of Youth in Georgia who has also represented the Georgian Olympic Committee. Something that is of importance is the fact that Georgia is going to establish the ministry of Sport that will recognize both Olympic Taekwon-Do as well as our Georgian National Taekwon-Do Federation. Afterwards there was a press conference, during which Master Tadeusz Loboda handed out the commemorative diplomas and souvenirs for this special occasion

to the authorities that were present as well as to the leaders of the federations. After the press conference the participants of this meeting gave an interview to the national TV. Next, the third part of the discussion concerning the AETF and ITF procedures as well as the meeting with the coaches and instructors from Georgia took place. This meeting was very important and essential.

It gave everyone the chance to get to know each other better and answered all the questions and doubts regarding the procedures in our organisation. We hope that we will hear soon about the Taekwon-Do activities in the Kaukas region.
