Championship Prešov Open 2015

Nearly after start of competition we could see, that members of our team are very well prepared. The competition started with Special techniques categories, more than 40 competitors were registred. Thanks to Lucie Bohatá we gained our first medal from Special techniques – the bronze one. Jakub Roubal took 4th place – it was good result in so big competition.

Next part was about Tulls – Daniela Richterová and Lucie Bohatá gained gold medals from their cathegories, Patricie Pokorná gained silver medal.

The afternoon part of competition was dedicated to Sparrings, where we had more medal chances because of hard preparation of our competitors.

Our team demonstrated that we belong to the top – Patricie Pokorná gained gold medal, Eliška Hupcejová, Lucie Bohatá and Daniela Richterová gained silver medals. At the evening organizators prepared for us some exhibition.

On Sunday the competition continued with categories of Team tulls and Sparring of seniors and then was the medal handing over.

In the cathegory of Team tull we tried to retain gold position from last year. At last we gained silver medal. After our last cathegory we thoroughly watched the senior sparrings to learn from it something new.

We enjoyed this event and we have a lot of nice memories for it.

Just as in last years, the Czech National Taekwon-Do Union will be held a National Summer Camp during summer holidays.

Now is the best time for preparing interesting programme for participants under the leading of qualified instructors . We are preparing training programme, competitions, sport activities, campfires, swimming, disco, wholeday trip, night game and grading. Also the possibility of personal trainings with instructors is granted.

Traditional exhibition for other groups of children in our area will be again a part of our camp. We do it every year because it is a good way to gain new students for our clubs.

New design of our website
