

ITF Children's Development Course

INVITATION

Dear ITF Grand Masters, Masters, Instructors and Students

We have the honour to invite you to the ITF Children's Development Course to be held in the Impact Academy in Croydon, Surrey, England.

Croydon is London's most populous borough and a vibrant urban centre with a lively modern feel. Croydon Town Centre is a great place to visit for shopping, eating and drinking, heritage, nightlife, performing arts, cinema and fun for families. Croydon is easy to reach by train, bus, tram and car. The Town Centre is 15 minutes from the M25 and has fast direct rail connections to Victoria, London Bridge, St. Pancras International and Gatwick Airport. Heathrow Airport is one bus-ride away.

The course will be conducted by Master Donato Nardizzi 8th Degree, the Chairman of the ITF Children's Development Committee.

The Taekwon-Do Kids Development Program (TKD Program) is the official ITF program for children aged 3 to 7 years. It teaches the children basic coordination skills and fundamental Taekwon-Do skills to yellow belt standard as well as life skills and character education. This is a great opportunity for you to adopt a formal programme for your children's classes which is backed by the ITF. See the ITF website for more information about the TKD Program.

Each participant will receive one copy of the Study Book, one copy of the instructor's Guide and a certificate of participation from the ITF Children's Development Committee. The course is also open to red belts to allow them to assist in classes which are adopting the TKD Program.

We hope you join us for this stimulating course which promises to bring a new dimension into your teaching strategy for children.

On behalf of the
Children's Development Course
Organisation Committee
for TKD Impact.
