Dear Jane

Application for recognition of the Scottish Council of Taekwondo (SCoT)

I am writing with regards to the application for recognition of the Scottish Council of Taekwondo.

I am delighted to inform you that the application has been successful and that **sportscotland**, *Sport England*, *Sport Wales* and *Sport Northern Ireland* now recognise the Scottish Council of Taekwondo as the Scottish Governing Body (SGB) for Taekwondo, conditional on SCoT's continued development and compliance with the following conditions, which will be monitored by the **sportscotland** Partnership Manager.

- 1.1 A review of membership monitoring systems to be completed to ensure accurate data capture systems are in place.
- 1.2 Ongoing provision of accurate membership information from all the organisations affiliated to SCoT.
- 1.3 All documentation (strategy, annual plan, membership information, anti-doping, etc) to be published on the website.
- 1.4 **sportscotland** to continue be invited to Board meeting and to receive copies of minutes.

I have included as an appendix to this letter a summary of what recognition means. The **sportscotland** website also contains a list of recognised SGB's at <https://sportscotland.org.uk/sport-a-z/>. If you would like to be included in the listing please forward all relevant information to Megan Griffiths at recognition@sportscotland.org.uk.

Many recognised SGBs also display the **sportscotland** logo on their website, if you wish to do so you can download our logo from our website via the link below.

In the meantime I wish you every success in the development of Taekwondo in Scotland.

Yours sincerely
