Dear Instructors and students,

2012-2013 is really marked under sparring and self defense themes. After hosting Tomas Barada, Mark Davies and Master Van de Mortel, We are happy to host Mr. Oleg and Miss Katya Soloveg. This seminar has a more emotional touch to it as Miss Soloveg first international success was during the first edition of the Black Eagle Winternational Taekwon-Do Open.

During that competition, people already appreciated the speed and technical beauty of Miss Soloveg.

This April, be ready to get inspired by one of the best competitor of the new millenium. Train under the instruction of what will surely become one of Taekwon-Do's legendary couple.

The seminar will take place in Tampere on the 06-07 of April 2013.

We warmly welcome you to Tampere and hope that you will enjoy every minute of that unique experience.

Best Regards,
