

Dear Instructors and students,

After a pause of 10 years, the Black Eagle Taekwon-Do Association is proud to announce the rebirth of the Winter International Taekwon-Do Open from the 5-6 April 2014.

In its previous editions, we were very honored to have many champions attending our event:

- Julia Cross
- Katya and Oleg Solovey
- Ismo Mäkinen
- Pauliina Hietaniemi
- Mariusz Steckiewicz
- Philip Lear

and many more.

Participating countries were: England, Estonia, France, Norway, Russia, Scotland, Sweden, Ukraine, Wales and of course Finland.

Keeping the tradition alive, we will be offering money prizes up to 150€/category for senior red/black categories and depending on the amount of competitors.

This event will follow the official ITF rules and we will also introduce the new electronic sparring system.

So mark this date into your calendar, and see you all in April for what promises to be an amazing event.

In order to make sure the event remains on schedule we have decided to limit the participation to 300 competitors for this year.

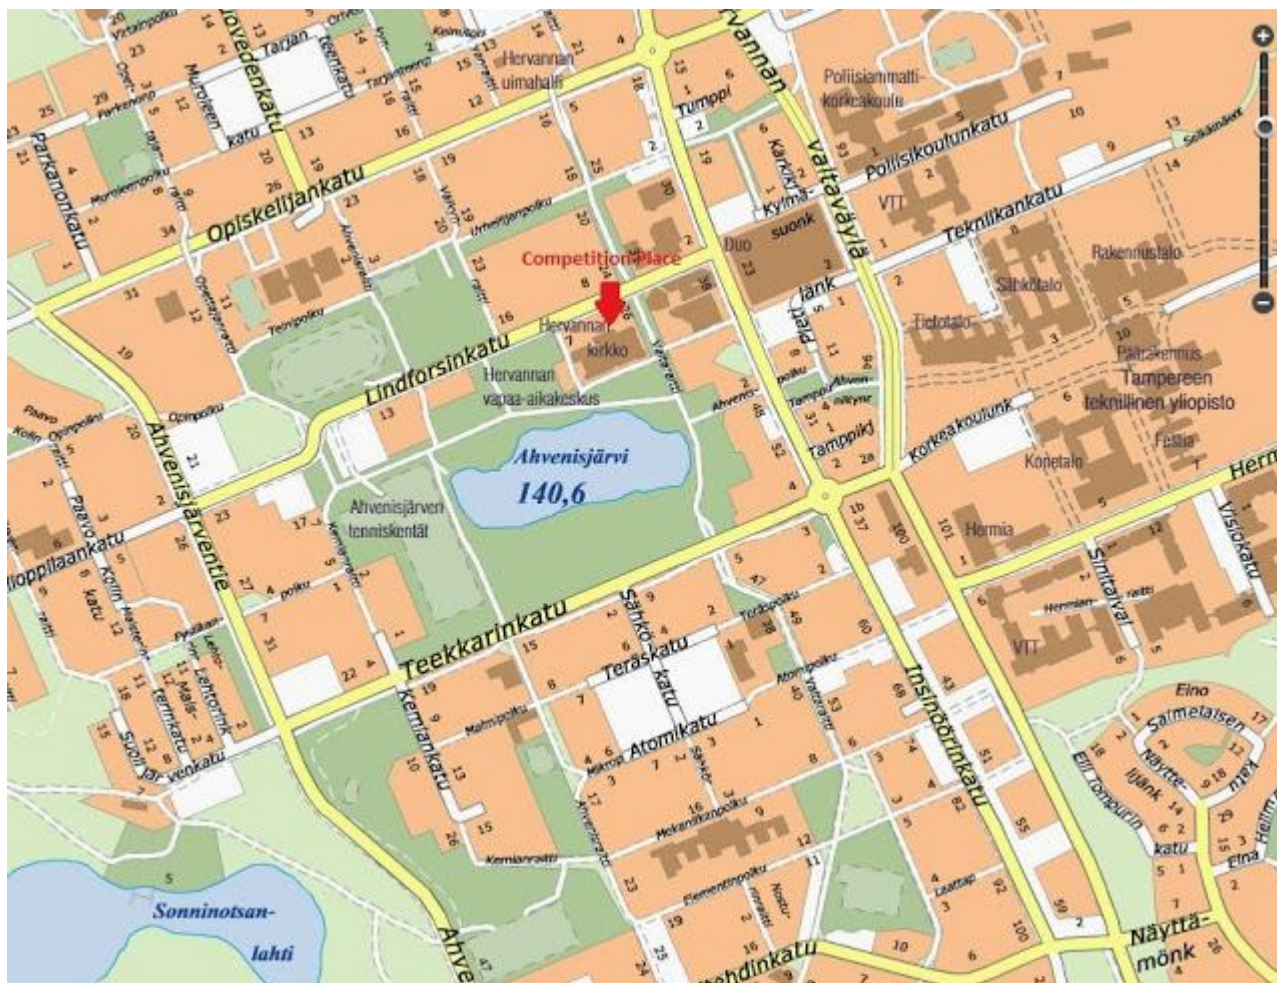

Welcome to Tampere,
Thierry Meyour
