**Founding Member of ITF 1966
Member of AETF since 1982**

Official Invitation!

Cologne, September 30th, 2004

Dear ITF – Members!

On behalf of the International Taekwon-Do Federation Deutschland e. V. I have the honour to invite you to the

14th World Senior Taekwon-Do Championships (ITF)

to be held in Dortmund on July 28th to 31st, 2005 as decided by the ITF-Congress in Warsaw, Poland on June 13th, 2003. Place of the venue will be **Helmut-Körnig-Halle** in Dortmund.

Dortmund is a big city in the Ruhr valley and a central location in Germany. Its airport offers direct connection flights to the biggest airports inside and outside Germany (Munich, Berlin, Paris, London). From the European countries Dortmund can easily be reached by train or by car.

The Helmut-Körnig-Halle is located in a park called Westfalenpark. This area is well known all over Germany for its hall and its stadium (Westfalenhalle, Westfalenstadion) and is very well signposted.

The ITF-Deutschland was a founding member of the ITF in 1966 and 2005 will be a very meaningful year for TKD in Germany, because of the following reasons:

1. It will then be 50 years ago that General Choi named this martial art Taekwon-Do.
2. It will then be 40 years ago that the first ITF demonstration team for Europe visited Germany.
3. TKD in Germany will celebrate its 40th anniversary.
4. It will be 10 years ago that Germany hosted the ITF European Championships in Cologne.

The directors of ITF-Deutschland will do their best to carry out this event to the satisfaction of all participants. We would be very happy, if the affiliated countries would put their trust in us for organising this event and to welcome them to the next World Championship in Germany.

Please find attached the schedule for the championships with all necessary details.

We are looking forward to your participation!

With kind regards

Chairman of the Organizing Committee

Master Paul Weiler
